

# Introduction to MC&I SUSTAINABLE FOREST MANAGEMENT

Date : 21 July 2020  
Time : 9.00 a.m. – 12.00 p.m.  
Venue : Zoom

The MC&I Sustainable Forest Management (MC&I SFM) which is the outcome of the review of MC&I(Natural Forest) incorporating requirements from MC&I Forest Plantation.v2 was approved on 5 March 2020. The standard, which will come into force on 1 January 2021, replaces both the MC&I(Natural Forest) and MC&I Forest Plantation.v2 standards, as the certification standard for sustainable forest management of natural forest and forest plantation under the Malaysian Timber Certification Scheme (MTCS).

The webinar will introduce the new MC&I SFM standard and its requirements.

## PROGRAMME

9.00 am	Welcoming remarks
9.15 am	Introduction and updates on the Malaysian Timber Certification Scheme
9.30 am	Recap of standard review process
10.00 am	Overview of MC&I Sustainable Forest Management
